

# REGULATIONS

OF

THE GLASGOW UNIVERSITY LYING-IN HOSPITAL,

AND

DISPENSARY FOR THE DISEASES OF WOMEN

AND CHILDREN.

---

I. THE management of the Hospital and Dispensary shall be vested in twelve Directors, consisting of the Honourable the Lord Provost of the City, the Honourable the Sheriff of the County, the very Reverend the Principal of the University, a Clergyman, named by the Established Clergy of the City, and eight Directors, chosen annually by the general body of Contributors and Subscribers to the Institution. Of these Directors five shall be a quorum.

II. Contributors of five pounds and upwards, in one sum, and annual Subscribers of one pound or more, having paid the last year's Subscription, shall be eligible as Directors, and

shall have the right of voting at all General Meetings, and of recommending two Patients annually for admission into the Hospital for each five pounds of Donation, or one pound of annual Subscription. Public bodies and Corporations shall have a right of recommending one Patient annually, for each Contribution of ten pounds, and for every annual Subscription of one pound.

III. Annual Subscribers of half-a-guinea, having paid the current and the last years' subscriptions, shall have the right of voting for Directors, and of recommending one patient annually for admission.

IV. The Hospital and Dispensary shall be under the medical management of the Regius Professor of Midwifery, assisted by a surgeon, who shall be chosen by the Directors, and shall remain in office for three years.

V. Pupils, whether studying medicine in the University or not, shall be admitted to attend the practice of the Hospital and Dispensary, on payment of half-a-guinea for three months, eighteen shillings for six months, and one guinea and a half for one year. But the Directors shall have the power of altering the admission fees.

VI. No patient of improper character shall be admitted into the Hospital; and, in order that the spirit of this regulation may be carried fully into effect, the Directors shall possess a negative on the admission of all patients.

VII. A Committee of five Directors chosen by the general Board, shall meet on the first Tuesday of every month, and a Meeting of the whole Directors shall be called on the first Thursday of every quarter.

VIII. A Meeting of the whole Contributors and Subscribers to the Institution shall be called on the first Tuesday of January in each year, by public advertisement in the newspapers, when a Report of the Proceedings and Expenditure of the Hospital during the preceding twelve months, shall be submitted to them, and eight Directors chosen.

IX. A Treasurer, and a Secretary or Clerks, shall be chosen annually by the Directors at their first quarterly meeting in January.
